

# Power Up RTX

## Rust resolving spray

### Technical data

Density 15°C kg/m <sup>3</sup>	805
Viscosity at 40°C mm <sup>2</sup> /s	1,76
Flash point	<0°C
Pure point temperature	-46°C
Aerosol can. Propane/Butane, not harmful for the ozone layer.	

### Product description

RTX is a universal product developed to give the best rust resolving effect.

Stops rust and protects against corrosion and oxidation.

It has a very good penetration skill and force out moisture and prevents short circuit.

### Area of use

Universal release agent and corrosion inhibitor. Protects and maintains machinery, motors, tools, chains, locks, household equipment, garden tools, bicycles, mopeds, fishing gear etc.

**400 ml art.no 65510**  
**5 l bulk art.no 65505**
